

***Thanks to Terra for
their continuing sponsorship***

Terra Today

The little garden center that could has now become four retail garden centers with full production capability. They are located in Burlington, Waterdown, Vaughan and on the Mississauga/Milton border. We now employ a large team of experienced and knowledgeable people and under the mentoring of Jim and his family have been proud to launch the careers of many young college students, hundreds of whom we employ each summer

***Thanks to Bryan's Auctions for
their sponsorship for our
Continental Breakfast***

***Thanks to George Szczepski for
his sponsorship of our Speakers***
