

Please note that all GHS events, activities, workshops and Ferguson Cottage garden clean are cancelled until further notice due to COVID-19.

Dear GHS Members,

During these unprecedented times, the Board is working to help our GHS community. This is indeed a challenging time for all of us.

We have restructured the GHS 2020 Program and have cancelled upcoming events as of March 14th until further notice. This included the cancellation of the Kokedama Workshop on March 29th and our Monthly General Meeting on March 30th. The Board is considering utilizing Zoom, an internet remote conferencing service that combines video conferencing, online meetings, chat, and mobile collaboration to communicate with our membership. This may be an option to hold our monthly meetings and workshops virtually over the internet. All existing GHS internet communications and GHS transactions on our website continue as normal. We will keep our members informed via email and phone calls as this virus condition impacts your 2020 Program.

We encourage all our members to fully comply with the government and health officials' recommendations and directives. Fortunately, we are at a time in the year when the snow has left and the spring flowers are clearly popping up. Quarantine is softened by cleaning up your garden, planning what to plant and where. Talking with and writing to your gardening network helps to keep us connected. This is a condition; i.e. this too shall pass.

In the meantime, stay home...wash your hands...maintain social distancing...stay safe. By working together as a community...we will get through this.

Thank you.

GHS Board Coronavirus Subcommittee

The GHS Open Garden Tours may be possible by August but we will keep abreast of the government and health organizations recommendations and keep our membership updated on this.

Correction Notice:

**The winner of our November Garden Challenge
