**Save The Date...**

**Online Zoom Monthly Meeting...May 25<sup>th</sup> 7:00 pm**

Please join us as Renate Wells presents 'Spring Gardens'...a virtual tour of her gardens and all of the flowers she has blooming this spring.

## Coming up in June...

We were looking for ideas to keep everyone involved with us, and each other, while we are staying at home. We have discussed ideas, for our June get together, and thought that we could show each other what is happening in our gardens.

We are looking for photos/videos of your gardens from this spring. We are sure everyone has at least one spot, if not more, in their gardens, that is a favourite area. Show us what is going on in your gardens, so that we can share your fabulous gardens with others attending the Zoom meeting.

The actual date of the June meeting will be sent out once we get close to the date.

Pictures/videos will not be posted on social media or our website without your permission. If you are sending a video, please make it between 5 - 10 minutes, with voice recording. Anything longer than that is too large to send in an email. If you cannot do a voice recording, please type something up and we could talk to it. Please include the name of the plant, perhaps how long you have had it, sun/shade preference.....things of that nature.

If you would like to participate, please send your photos/videos to Liz Stacey at [lmsliz@rogers.com](mailto:lmsliz@rogers.com),

We may continue to do these presentations depending on the amount of information we receive, instead of this year's Open Gardens Tours.

## **On behalf of the GHS Members**

To support the impact of the Coronavirus in our community, the GHS donated \$200 each, from the contingency funds, to the following organizations:

Trinity Community Table  
Rare – Community Gardens  
Cambridge Food Bank  
The Bridge  
Haven House

As well, a further donation of \$250 was made to the Cambridge Mask Makers, in support of their efforts in making masks for Cambridge Memorial Hospital.

## **Membership Has Its Benefits!!**

The Galt Horticultural Society's membership is continuing to grow!

Encourage fellow gardeners, family and friends to become a part of a historical society.

Membership gives everyone the opportunity to make new friends, learn about horticulture and gardening, participate in workshops, venture off on exciting bus tours, visit open gardens in the community, volunteer in ongoing projects such as the Ferguson Cottage Gardens and so much more!

Please visit our website at [www.galthort.com](http://www.galthort.com) to join!
